Statement regarding need for second passport due to possible denial of entry due to visa or travel markings

Please complete the following statement regarding your request for a second passport, including dates of travel, specific countries you plan to visit, and any other information in support of this request:

I intend to travel to

In view of the restrictive entry policies of one of the countries that I will be visiting, it is impossible for me to complete my trip utilizing my current passport.

Consequently, I am requesting the issuance of a second passport to facilitate my travel to the countries mentioned above. I understand that one passport will be limited for two years and that it may be extended at the end of that period if my need to travel to the aforementioned countries continues.

Should either passport be lost or stolen, I will report the circumstances immediately to the Passport Office or the nearest American Embassy or Consulate.
